Earthbound Angel (No Angel Series) (Volume 2) Theresa Sneed
5 stars By Karlene Browning "Inksplasher" Earthbound Angel is excellent. It has great characters, good dialog, lots of action, and a very interesting take on pre-mortal life - including interplanetary travel, the ability to change the way you look in an instant, unique animals, and an awesome sport where teams compete in an interplanetary scavenger hunt. Add to that the classic battle between good and evil (Freedom Fighters and No Choicers) AND the classic YA love triangle, one girl choosing between two boys (one clearly good, the other not so much) and you've got a story that will appeal to teen girls everywhere. Interwoven in this very likeable and modernized story, that is set in heaven before they come to Earth, this book has a positive message about choice and accountability. I highly recommend this book to teen girls, 12 and up, and to adults who enjoy fantasy/paranormal stories! 5 stars By Lorna Hale Earthbound Angel was an excellent book. I really enjoyed the play between all the characters. There were enough twists and turns to keep me turning pages. I loved the first book - Angel with an Attitude - and now want to go back and re-read it. Great JOB!!! Keep them coming - ready for book 3 now. ***** As the time draws near for the first spirits to leave their home in heaven, a group of rebellious dissenters begins to appear at every blue planet planning meeting, demanding that all mortals are ruled by compulsory choice, instead of having the freedom to choose for themselves. Daniel is a courageous Freedom Fighter who vehemently opposes the No Choice movement. Sophie is impressed by his strong desire to do what's right ... and by his intense blue eyes. But she also has a strange attraction to the handsome and ostentatious Coe, a leader in the No Choice movement, who has his sights on her and will stop at nothing to claim her as his own. Transdimensional ball games, battles with rebellious No Choicers, and a love triangle with eternal consequences. Earthbound Angel brings the pre-earth to life in vivid detail. What a ride! - Angela Morrison, author of Taken by Storm and Sing Me to Sleep We have waited a long time for a groundbreaking and compelling story about coming to the earth as spirit children of God. Earthbound Angel is it! - Sarah Hinze, author of We Lived in Heaven and Memories of Angels I loved every page of Earthbound Angel. Theresa Sneed's inspirational story of love, hope, and God's eternal plan is more than a feel-great read; it is something to ponder as you make your own choices here on earth. - Betsy Love, author of Identity, Soulfire, and The Penelope Project
