This new padded board book series is based on a popular *Highlights Hello* magazine feature (Find It) and brings the joy of Highlights™ Hidden Pictures® to the very youngest family members. Each spread features bright, simple artwork on the right-hand page with visuals of three objects from the scene on the left accompanied by a gentle, guiding narrative to read out loud and prompt interactivity. Children will love pointing to the objects in the vibrant illustrations, and parents will love the opportunity to bond with their babies and toddlers while gently encouraging development and learning.

On the Farm showcases seven colorful scenes of life on a farm. Each page shows a different section of the farm and features sweet illustrations of lovable farm animals. An adorable baby chick appears in each illustration—from the cover to the final page, where it is reunited with its family.
