The Oracle of the Radiant Sun

Caroline Smith, John Astrop

The Oracle of the Radiant Sun Caroline Smith, John Astrop
The Oracle of the Radiant Sun is a unique divinatory system that harnesses the power of astrology to provide in-depth readings. Using a deck of 84 full-color cards, the system describes the meaning of the sun and the six fastest-moving planets on their journey through the twelve houses and the twelve astrological signs.

Each card is evocatively illustrated, and falls into one of seven suits, depicting first the Sun, then the Sun plus the Moon, Mercury, Venus, Mars, Jupiter or Saturn in each of the twelve zodiac signs. Accompanied by an illustrated book that helps users understand each card's imagery, the deck allows for a wide range of depth of interpretation, accommodating both beginners and experienced readers.
