This new calendar brings together the teachings of twelve of Sounds True's most popular authors - including **Adyashanti**, **Angeles Arrien**, **Jack Kornfield**, **Coleman Barks** and **Dr. Clarissa Pinkola Estes** - with beautiful images meant to draw us into the power and the depths of this very moment, now and throughout the year.
The insights and inspiration of these wise teachers encourage us to see through the illusion of past and future and enter into the only moment there is, the present.
