Finding Jericho

D Jeffery

Finding Jericho D Jeffery

Description

This is a first-class novel about the trials of growing up and about the prejudice projected onto those who have had mental health problems and their families.
Jeffery understands the basis of victimisation and alienation: the fears and insecurities of the perpetrators themselves.
But this is no simplistic moralistic tale. Through his close understanding of human emotion and communication, Jeffery shows that it is possible for victim and perpetrator to simultaneously exist within us all and, ultimately, to change.

About the Author

Jeffery has worked in mental health practice for 23 years and holds a 1st class honours degree in mental health studies. During the course of his career he has been privileged to work with people, carers and their families within a philosophy which promotes recovery and challenges stigma and social exclusion. Much of this work inspired the premise for Finding Jericho. Jeffery has published academic books via Wiley and sons, as well as articles in the nursing press. He is also the author of the critically acclaimed children's book, Beatrice Beecham's Fearsome Feast.

From reader reviews:

Randy Johnson:

Reading a guide can be one of a lot of pastime that everyone in the world adores. Do you like reading book thus. There are a lot of reasons why people love it. First reading a book will give you a lot of new information. When you read a guide you will get new information since book is one of several ways to share the information or perhaps their idea. Second, looking at a book will make anyone more imaginative. When you looking at a book especially fiction book the author will bring that you imagine the story how the character types do it anything. Third, you are able to share your knowledge to other folks. When you read this Finding Jericho, you can tells your family, friends along with soon about yours book. Your knowledge can inspire average, make them reading a publication.

Tony Caldwell:

People live in this new day time of lifestyle always try to and must have the time or they will get large amount of stress from both everyday life and work. So , when we ask do people have free time, we will say absolutely of course. People is human not a robot. Then we inquire again, what kind of activity are you experiencing when the spare time coming to you actually of course your answer will unlimited right. Then ever try this one, reading ebooks. It can be your alternative inside spending your spare time, often the book you have read is usually Finding Jericho.

Ryan Brown:

This Finding Jericho is great publication for you because the content that is certainly full of information for you who always deal with world and possess to make decision every minute. This specific book reveal it details accurately using great coordinate word or we can say no rambling sentences included. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but challenging core information with attractive delivering sentences. Having Finding Jericho in your hand like having the world in your arm, data in it is not ridiculous one particular. We can say that no publication that offer you world inside ten or fifteen small right but this e-book already do that. So , this can be good reading book. Hey there Mr. and Mrs. busy do you still doubt that will?

Pedro Dillon:

In this particular era which is the greater man or who has ability in doing something more are more valuable than other. Do you want to become one of it? It is just simple way to have that. What you must do is just spending your time not much but quite enough to enjoy a look at some books. One of several books in the top checklist in your reading list will be Finding Jericho. This book that is qualified as The Hungry Mountains can get you closer in getting precious person. By looking way up and review this publication you can get many advantages.
