here's how i see it

Rave reviews, an endless request for autographs, my name in lights on Broadway.

here's how it is

The audience is half empty, I spend zero time onstage, my dad's midlife crisis is about to ruin the playhouse...and my family.

Junebug dreams of being a leading lady someday. A serious actress, a stage actress, a real actress. And it should be easy for her to get her start -- her parents own the Blue Moon Playhouse, after all, and her dad performed on Broadway (once). But the truth is, at (almost) thirteen, she's not even a supporting actress or a stand-in or an understudy or even a child actor has-been. In the current Blue Moon production, her role is this: thunder, props...and stagehand (gopher, actually). And lately it seems like maybe the stagehand mindset -- go unnoticed, don't say a word -- is rubbing off on Junebug's personality. She's starting to feel as though her opinions never count, her worries aren't taken seriously, that she's becoming the ultimate stagehand: invisible. And that's not a role she's happy with.

From author and former playhouse insider Heather Henson comes a novel about growing up, standing out, and what it means to live your life just outside of the spotlight.
