Korea: I Remember ""The Forgotten War""

James Hollis

Korea: I Remember ""The Forgotten War"" James Hollis
Although it has been many years since my service in the Military and it was for only two years, it was an important period of my life. I learned a lot in those two years that has helped me throughout my life. In the effort to write this book it has taken me back in time, reviving memories of old friends and things that have happened. I have tried to write of things I consider important. I have been fortunate to have lived long enough to become a old man. I know it was just by the luck of the draw that I was put where I was. I never volunteered for anything, nor did I try to get out of any order given to me. I am well aware I could have been put in the infantry instead of the artillery, where I did my time in the intelligence section. Most of the time a soldier happens to serve in duties he has no control over. This book has been written as much for my family and friends as for the general public. I hope all who takes the time to read what I have written will gain knowledge regarding the Korean War, and also my story is just one of the thousands of stories of young men who served their country at this time. For us the veterans, and our families IT WILL NEVER BECOME THE "FORGOTTEN WAR". REMEMBER THIS , FREEDOM IS NOT FREE

From reader reviews:

Tom Burkhardt:

Nowadays reading books be a little more than want or need but also work as a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The information you get based on what kind of reserve you read, if you want drive more knowledge just go with education books but if you want feel happy read one using theme for entertaining for instance comic or novel. The actual Korea: I Remember ""The Forgotten War"" is kind of guide which is giving the reader capricious experience.

Eleanor Hotchkiss:

People live in this new morning of lifestyle always make an effort to and must have the extra time or they will get large amount of stress from both way of life and work. So , if we ask do people have free time, we will say absolutely sure. People is human not only a robot. Then we question again, what kind of activity do you possess when the spare time coming to an individual of course your answer may unlimited right. Then do you ever try this one, reading books. It can be your alternative inside spending your spare time, the actual book you have read is definitely Korea: I Remember ""The Forgotten War"".

Latashia Bartlett:

As we know that book is important thing to add our know-how for everything. By a book we can know everything you want. A book is a set of written, printed, illustrated or blank sheet. Every year was exactly added. This book Korea: I Remember ""The Forgotten War"" was filled in relation to science. Spend your free time to add your knowledge about your research competence. Some people has several feel when they reading some sort of book. If you know how big benefit from a book, you can experience enjoy to read a guide. In the modern era like right now, many ways to get book that you simply wanted.

Bertha Wood:

As a pupil exactly feel bored in order to reading. If their teacher expected them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's heart or real their interest. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Korea: I Remember ""The Forgotten War"" can make you experience more interested to read.
