Rome UNFOLDS® Map

Stephan Van Dam

Rome UNFOLDS® Map Stephan Van Dam
VanDam's patented Rome UNFOLDS® maps all top attractions, including historic sites, hotels, major architecture, museums, parks, transit systems, and more - all at an immensely legible super-scale complete with 3D building illustrations. Each map unfolds to 12 times times its original size, then refolds automatically when the covers are closed. Eminently clear information design allows users to read the map from three feet away and has earned VanDam Maps a place in the MoMA Collection.

Rome UNFOLDS® includes a stunning dimensional detail of Centro Storico, Monte Mario, Villa Borghese, Salario. Edition also includes a special detail of the Vatican City, as well as an area overview and a Transit map.

Simplicity reigns supreme in information design to make complex cities clear and understandable. Our typography creates character and reveals the true bones of the city. VanDam uses a letter grid to identify locations on maps - no confusing and cluttering K-28s or V-34s - its just the city from A-Z. Our covers map the icons of each city and turn them into collectible graphic art. Size open: 8.5" x 11" per section; 3.25" x 7" closed to snuggly fit into a shirt pocket or purse. Gain instant Roman StreetSmarts and a sexy souvenir to boot!
