The Balliol Dynasty: 1210-1364

Amanda Beam

The Balliol Dynasty: 1210-1364 Amanda Beam
Examining the political ambitions and influences of the Balliol dynasty in the 13th and 14th centuries in Scotland, England, and France, this detailed historiography explores kingship in medieval Scotland and the conflicts that arose between powerful families. While history generally portrays members of the Balliol dynasty as ineffective leaders and politically weak men, this account reveals how unfairly the family has been judged by both chroniclers and historians. Offering a fresh perspective on the long-misunderstood Balliol family, this reevaluation highlights the dynasty's important role in Scottish history, their powerful kingship, and their unique relationship with the English crown.
