The Frost Maiden's Kiss: The True Love Brides Book 3 Claire Delacroix
She enchanted him with a kiss-but winning her love would demand all he possessed.

After eight years abroad, Malcolm returns to Scotland with a fortune, a companion even more hardened than he and a determination to restore his inherited holding. But when that companion falls into peril, Malcolm seizes the chance to repay an old debt, trading his own soul for that of his doomed comrade. Knowing his days are limited and determined to leave a legacy of merit, Malcolm rebuilds Ravensmuir with all haste, though he fears he will never have an heir.

A night of violence has left Catriona with no home and no faith in the honor of men. She expects little good from a visit to her lady's brother, Laird of Ravensmuir, a known mercenary. But the handsome laird challenges her expectations with his courtesy, his allure-and his unexpected proposal. Knowing it is her sole chance to ensure her child's future, Catriona dares to accept Malcolm's hand. She soon realizes that this warrior fights a battle of his own and that she holds the key to his salvation. Little does she realize her past is in hot pursuit, seeking to destroy all she holds dear-including the laird who has thawed the frost of her reluctant heart.
