Kant's Analytic (Cambridge Philosophy Classics)

Jonathan Bennett

Kant's Analytic (Cambridge Philosophy Classics) Jonathan Bennett
This engaging and instructive analysis of the first half of Kant's Critique of Pure Reason continues to be valuable to both practiced Kant scholars and newcomers. Jonathan Bennett examines the arguments and themes of Kant's work in relation to those of the works of philosophers old and new, including Locke, Leibniz, Berkeley, Hume, Wittgenstein, Ryle, Ayler, Quine, Warnock, and others. Presented in a fresh twenty-first-century series livery, and including a specially commissioned preface written by James Van Cleve, illuminating its continuing importance and relevance to philosophical enquiry, this influential work is available for a new generation of readers.
