R. P. Phillips

Modern Thomistic Philosophy: An Explanation for Students: Metaphysics R. P. Phillips

"Dr. Phillips is to be congratulated on the clear and lucid way he has set forth Thomist doctrines and especially for the manner in which he has rendered the Latin terminology of Schoolman in English, an achievement which makes his book very readable and interesting even for those unacquainted with the great treatises of Schoolman."

—L. J. Walker, *Philosophy*

The second volume is divided into three parts that first discuss epistemology, then general metaphysics, and finally natural theology.
