Thea: A Vampire Story

Steven Jenkins

Thea: A Vampire Story Steven Jenkins
How far would you go to protect your child? Vampires are real - hidden among us, concealing their lust for human blood. But monsters come in many forms. Teenage boys, drug addiction, underage sex - single mother Sarah battles to keep these demons from her daughters. As the long nights of worry start to feed Sarah’s paranoia, she must take desperate measures to save her family. Although sometimes, the only way to kill a monster… …is to become one. “The epitome of chilling vampire noir. Cements Jenkins' pre-eminence in the realm of terror.” NATHAN JONES – Author of THE NOWHERE
