Foresight and Extreme Creativity: Strategy for the 21st Century Langdon Morris
Your comprehensive and invaluable guide to business, management, and life in the ever-changing and increasingly complex world of the 21st century. Change is accelerating everywhere, and today's leaders are facing challenges unlike any they've ever seen. New technologies are radically altering the market, climate change is threatening to disrupt everything, and political clashes, violent conflict, and terrorism are becoming common. Globally-recognized author, speaker, and consultant Langdon Morris provides a detailed explanation of the powerful forces that are shaping today's world, and which will impact upon us all for decades to come. This book includes a detailed study of the future of technology, the possibilities for climate change and its impact on the global energy industry, the future of the population explosion and tomorrow's cities, geopolitics in all of the world's hot spots, and the social and cultural dimensions of change. Already hailed in early reviews as a clear-sighted, provocative, and important guide to our future, Foresight & Extreme Creativity is the must-read book for those who require a better understanding of the inevitable and potentially overwhelming changes in the world around us, as we prepare for what's to come.
