Sababa

Yamin Levy

Sababa Yamin Levy
Hamas militants have abducted Lior Samet, the grandson of Israeli national war hero Brigadier General Avigdor Cohen, but the Israeli government does not negotiate with terrorists. Cohen’s inner world is turned upside down as he does what he must to bring Lior home. Less than forty miles away, but more than two millennia earlier, Alexander the Great descends upon Jerusalem, ready to attack, but after a highly charged confrontation with Simon the High Priest, he spares the town. As the controversial story unfolds, the Maccabees, priestly militant warriors, are raised to fight off the Greek imperialists. Yamin Levy’s ambitious debut novel explores the inner-world of warriors, reluctant soldiers, zealots, and freedom fighters. The parallel storylines describe both the early origins and modern versions of Israeli nationalism and military zeal and how the Kohen clan has left its mark on the spiritual landscape of the Jewish psyche and on the battlefield. Levy gives voice to a range of perspectives associated with the Israeli-Palestinian conflict and with Israeli society’s evolving attitudes regarding their physical, spiritual and existential survival.

From reader reviews:

Ethel Davidson:

What do you consider book? It is just for students since they are still students or this for all people in the world, what best subject for that? Just simply you can be answered for that query above. Every person has various personality and hobby for every single other. Don't to be obligated someone or something that they don't want do that. You must know how great and important the book Sababa. All type of book would you see on many methods. You can look for the internet methods or other social media.

Cheryl Waller:

Precisely why? Because this Sababa is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will shock you with the secret that inside. Reading this book next to it was fantastic author who else write the book in such wonderful way makes the content inside easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you for not hesitating having this nowadays or you going to regret it. This unique book will give you a lot of advantages than the other book have got such as help improving your skill and your critical thinking means. So , still want to postpone having that book? If I have been you I will go to the guide store hurriedly.

Cary Freeman:

Do you have something that you prefer such as book? The book lovers usually prefer to decide on book like comic, limited story and the biggest some may be novel. Now, why not striving Sababa that give your entertainment preference will be satisfied simply by reading this book. Reading practice all over the world can be said as the means for people to know world better then how they react in the direction of the world. It can't be explained constantly that reading behavior only for the geeky man but for all of you who wants to become success person. So , for all you who want to start looking at as your good habit, you may pick Sababa become your own personal starter.

Hayden Wright:

Reading a book make you to get more knowledge from that. You can take knowledge and information from the book. Book is written or printed or descriptive from each source that will filled update of news. With this modern era like currently, many ways to get information are available for you. From media social including newspaper, magazines, science e-book, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Ready to spend your spare time to spread out your book? Or just seeking the Sababa when you necessary it?
