In 1770, Heather Douglas is desperate to escape a brewing scandal in her native Scotland. Penniless and hoping for a fresh start far away, she signs a seven-year indenture and boards a British merchant vessel headed to Virginia.

Widowed planter Matthew Stewart needs someone to help raise his two young children. The tall blond standing on the Alexandria quay doesn't look like much after her harrowing sea voyage, but there's a refinement about her that her filthy clothing cannot hide. Could God be leading him to take this unknown indentured servant as his wife?

When Matthew purchases Heather's indenture, marries her, and takes her to his farm, she is faced with new and constant challenges. And Matthew wonders if they can ever bridge their differences and make a life together.

But in the Virginia countryside, Heather begins her greatest journey, one of self-discovery and of maturing faith. Here, she discovers that her emotional and spiritual scars bind her far more than her indenture . . . and love will finally set her heart free.
