African Interior Design (Designpocket)

African Interior Design (Designpocket)
From Kenya to Tanzania, Zimbabwe to Namibia, and on to Botswana, this copiously illustrated book presents an overview of the stunning diversity in African residential design. Forty-five houses in a range of styles by architects such as Van der Merwe Miszewski, Anton Du Plessis, and Betsy Gast are featured in over 400 colour photographs. Whether rural houses built with indigenous materials or luxurious modern structures with stunning views of the Savannah, African Interior Design should be an indispensable guide to a subject too little discussed.
