Behold the stars: A third anthology

Kerry White

Behold the stars: A third anthology Kerry White
This third anthology from Kerry White includes a cheeky tribute to Clive James – ‘stars are in your sights’; a ‘eulogy’ for a country pub; a tribute to those who faced ‘Ruin undismayed’; those ‘like sheep’ in the ongoing US shootout; and those doing evil things in the name of a god. Kerry White lives on the Sunshine Coast in Queensland, Australia. He has previously published two anthologies, ‘the poet from hell’ and ‘Strength, labour and sorrow’, as well as ‘Three of a kind’, covering aspects of military aviation history. In 2007 in ‘semi-retirement’ he graduated with a Bachelor of Arts degree from University of Southern Queensland and this year (2016) is studying for a Masters in Professional Practice (Creative Writing) at University of the Sunshine Coast. He served in the Vietnam War with 5 Battalion, Royal Australian Regiment as a ‘reinforcement’ in 1966-67. He subsequently worked as a journalist and in government and corporate communications. He has two sons, five grandchildren and partner Caroline – all inspiring.

From reader reviews:

Melvin Groth:

Nowadays reading books become more than want or need but also be a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book in which improve your knowledge and information. The information you get based on what kind of publication you read, if you want drive more knowledge just go with knowledge books but if you want experience happy read one together with theme for entertaining for example comic or novel. Often the Behold the stars: A third anthology is kind of book which is giving the reader capricious experience.

Bernice Mignone:

Typically the book Behold the stars: A third anthology has a lot of information on it. So when you read this book you can get a lot of profit. The book was compiled by the very famous author. The author makes some research just before write this book. This specific book very easy to read you can obtain the point easily after scanning this book.

Rachel Cady:

This Behold the stars: A third anthology is completely new way for you who has attention to look for some information mainly because it relief your hunger associated with. Getting deeper you on it getting knowledge more you know or else you who still having bit of digest in reading this Behold the stars: A third anthology can be the light food for yourself because the information inside that book is easy to get by simply anyone. These books produce itself in the form that is certainly reachable by anyone, that's why I mean in the e-book form. People who think that in publication form make them feel drowsy even dizzy this publication is the answer. So there is not any in reading a e-book especially this one. You can find actually looking for. It should be here for an individual. So , don't miss that! Just read this e-book kind for your better life and also knowledge.

Bruce Hensley:

Do you like reading a publication? Confuse to looking for your selected book? Or your book seemed to be rare? Why so many problem for the book? But just about any people feel that they enjoy to get reading. Some people likes studying, not only science book but additionally novel and Behold the stars: A third anthology or even others sources were given knowledge for you. After you know how the great a book, you feel wish to read more and more. Science reserve was created for teacher or maybe students especially. Those textbooks are helping them to bring their knowledge. In different case, beside science reserve, any other book likes Behold the stars: A third anthology to make your spare time far more colorful. Many types of book like here.
