Dreams By Starlight Staci Stallings
If the world's a stage and each of us plays a part, then Camille Wright is the high school wallflower that nobody remembers and only the bullies ever knew was there. However, her headlong dash to Princeton's Aerospace Engineering program crashes to a heart-jarring halt when in order to "round out all those math classes," she is unwillingly signed up for drama class. Awkward, shy, and quiet, Camille struggles to stay part of the wall even under the bright lights. But sometimes where you want to be isn't where you were destined to be at all.
