Preaching with Accuracy: Finding Christ-Centered Big Ideas for Biblical Preaching (Preaching With Series) Randal Pelton

A resource to help pastors correctly identify the big idea of a passage and apply it well

Preaching with Accuracy provides preachers with a method for finding the “big idea” in each passage of the Bible, since correctly identifying the main point is key to accurately conveying the essential theology of the passage.

Pelton lays out a reliable, well-informed method for identifying the main point of a preaching passage and understanding that passage well in its context. Numerous examples are given at each step of the way to show how meaning develops throughout the process of interpretation. Pelton then guides the preacher through applying a Christ-centered hermeneutic that will result in biblical sermons that benefit and equip believers.
