Walking in Sardinia: 50 walks in Sardinia's Mountains (Cicerone Guides) Paddy Dillon

The 50 routes in this guide cover the highest, wildest and most dramatic areas to be found on Sardinia. Set in an area formerly proposed as a national park, highlights include the rugged Ogliastra limestone coast and Gennargentu granite mountains. Routes use newly-waymarked forest tracks, traditional shepherds' paths and mule trails through dense *macchia* shrubland.

A mixture of classic trails and new paths combines the popular and little-known. Ranging in difficulty and length (with some stepping away from well-trodden paths), many routes begin in quaint, historic mountain villages. Comprehensive planning information and details of facilities along the way provide everything readers need.
