Worth the Fight Vi Keeland
From *New York Times* & *USA Today* Bestseller, Vi Keeland, comes a sexy new standalone novel.

It didn’t matter that the ref called it a clean hit. Nico Hunter would never be the same.

Elle has a good life. A job she loves, a great apartment, and the guy she’s been dating for more than two years is a catch and a half. But it’s boring…and she strives to keep it that way. Too many emotions are dangerous. Her own past is living proof of what can happen when you lose control.

Then Nico walks into Elle’s office and everything changes…for both of them. But what can the tattooed, hard-bodied MMA fighter and the beautiful and always steady attorney have in common? A lot more than they bargained for.

Author's note THIS IS A STAND-ALONE NOVEL. Due to strong language and sexual content, this book is not intended for readers under the age of 18.
