Zach Barrows is an ambitious young White House staffer whose career takes an unexpected turn when he's partnered with Nathaniel Cade, a secret agent sworn to protect the President. But Cade is no ordinary civil servant. Bound by a special blood oath, he is a vampire. Cade battles nightmares before they can break into the daylight world of the American dream, enemies far stranger-and far more dangerous-than civilians have ever imagined.

Blood Oath is the first in a series of novels featuring Nathaniel Cade-the President's vampire.

"Christopher Farnsworth's taut thriller *Blood Oath* is an irresistible page-turner.... A complex and unnervingly realistic tale in which vampire Nathaniel Cade is far less of a monster than his human colleagues at the CIA and FBI. Dazzlingly clever."**—*The Washington Post***

"*Blood Oath* is exactly how I like my Presidential thrillers. With vampires."**—Brad Meltzer, author of *The Book of Fate***

"*Blood Oath* is the vampire novel that finally gets it right. Christopher Farnsworth has done his homework in places where most writers wouldn't even know to look-and the result is a rollicking tale of the supernatural grounded in some of the true oddities of American history. If Dan Brown wrote a vampire thriller, this would be it."**—Mitch Horowitz, author of *Occult America***

"As someone who thinks Stoker's *Dracula* has never been bettered, and who would happily stick a stake through the heart of most modern vampire fiction, it almost pains me to say how much I enjoyed *Blood Oath*. Witty, exciting, and compulsively readable, with a central character who seems destined to become a favorite of both skeptics and true blood believers, this may just be the best debut vampire novel in many years."
—John Connolly, author of *The Lovers*
