Excerpt from Dante: His Life and Writings

Dante, or Durante Alighieri, was born at Florence about the middle of May, 1265. He was descended from an ancient family, but not one of the highest rank. His biographers have attempted on very slight grounds to deduce his origin from the Frangipani, one of the oldest senatorial families of Rome. We can affirm with greater certainty that he was connected with the Elisei who took part in the building of Florence under Charles the Great.
