**Neverwhere** Neil Gaiman
Richard Mayhew is an unassuming young businessman living in London, with a dull job and a pretty but demanding fiancee. Then one night he stumbles across a girl bleeding on the sidewalk. He stops to help her--and the life he knows vanishes like smoke.

Several hours later, the girl is gone too. And by the following morning Richard Mayhew has been erased from his world. His bank cards no longer work, taxi drivers won't stop for him, his hundred rents his apartment out to strangers. He has become invisible, and inexplicably consigned to a London of shadows and darkness a city of monsters and saints, murderers and angels, that exists entirely in a subterranean labyrinth of sewer canals and abandoned subway stations. He has fallen through the cracks of reality and has landed somewhere different, somewhere that is Neverwhere.

For this is the home of Door, the mysterious girl whom Richard rescued in the London Above. A personage of great power and nobility in this murky, candlelit realm, she is on a mission to discover the cause of her family's slaughter, and in doing so preserve this strange underworld kingdom from the malevolence that means to destroy it. And with nowhere else to turn, Richard Mayhew must now join the Lady Door's entourage in their determined--and possibly fatal--quest.

For the dread journey ever-downward--through bizarre anachronisms and dangerous incongruities, and into dusty corners of stalled time--is Richard's final hope, his last road back to a "real" world that is growing disturbingly less real by the minute.

If Tim Burton reimagined *The Phantom of the Opera*, if Jack Finney let his dark side take over, if you rolled the best work of Clive Barker, Peter Straub and Caleb Carr into one, you still would have something that fell far short of Neil Gaiman's NEVERWHERE. It is a masterful debut novel of darkly hypnotic power, and one of the most absorbing reads to come along in years.

**From reader reviews:**

**Todd Crain:**

Here thing why this particular Neverwhere are different and trustworthy to be yours. First of all reading a book is good but it depends in the content of it which is the content is as tasty as food or not. Neverwhere giving you information deeper including different ways, you can find any publication out there but there is no publication that similar with Neverwhere. It gives you thrill looking at journey, its open up your eyes about the thing in which happened in the world which is possibly can be happened around you. It is possible to bring everywhere like in playground, café, or even in your means home by train. When you are having difficulties in bringing the paper book maybe the form of Neverwhere in e-book can be your alternative.

**Joseph Wilson:**

Reading a publication tends to be new life style on this era globalization. With looking at you can get a lot of information that could give you benefit in your life. With book everyone in this world can share their idea. Books can also inspire a lot of people. Many author can inspire all their reader with their story as well as their experience. Not only situation that share in the books. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors in this world always try to improve their expertise in writing, they also doing some investigation before they write with their book. One of them is this Neverwhere.

**Roberto Fetter:**

Reading can called mind hangout, why? Because if you are reading a book specially book entitled Neverwhere the mind will drift away trough every dimension, wandering in most aspect that maybe unidentified for but surely can become your mind friends. Imaging each word written in a publication then become one contact form conclusion and explanation which maybe you never get just before. The Neverwhere giving you another experience more than blown away your mind but also giving you useful information for your better life in this particular era. So now let us show you the relaxing pattern here is your body and mind are going to be pleased when you are finished examining it, like winning a sport. Do you want to try this extraordinary wasting spare time activity?

**Whitney Mallard:**

Beside this specific Neverwhere in your phone, it could give you a way to get more close to the new knowledge or information. The information and the knowledge you might got here is fresh in the oven so don't always be worry if you feel like an aged people live in narrow community. It is good thing to have Neverwhere because this book offers to your account readable information. Do you sometimes have book but you don't get what it's about. Oh come on, that will not end up to happen if you have this in your hand. The Enjoyable blend here cannot be questionable, just like treasuring beautiful island. So do you still want to miss this? Find this book in addition to read it from at this point!
