Realistic Pragmatism: An Introduction to Pragmatic Philosophy (SUNY Series in Philosophy (Hardcover)) Professor of Philosophy Nicholas Rescher
Nicholas Rescher gives a compact but comprehensive overview of pragmatism that does justice to the doctrine s original realistic and objectivistic purport. By providing a historically faithful version of a pragmatist position that is at once grounded in the root inspirations of the doctrine and able to overcome the sorts of objections that have often been advanced against it, Rescher defends the pragmatic tradition against a deconstruction into philosophical vacuity."
