New York Times *bestselling author Molly McAdams delivers another heart-wrenching, emotional novel in her Thatch series…*

After her first love was ripped from her grasp four years earlier, Charlie Easton was sure she would never be able to trust anyone with the shattered pieces of her heart again. That is, until Deacon Carver forces himself into her life, and makes those pieces swirl in chaos. But Charlie doesn't know how to let him in… until a stranger stumbles upon a notebook filled with her innermost secrets, and shows her how.

Deacon Carver is known for sleeping his way through the town of Thatch, as well as the surrounding cities—something he used to take pride in. But that persona has haunted Deacon ever since he decided to leave that life behind for the girl he wants more than anything: Charlie Easton.

But when another girl falls into Deacon's life, allowing him to be himself without judgment for his past, will their conversations hinder his relationship with Charlie … even if he's never seen her?
