Competition in Energy Markets: Law and Regulation in the European Union

Peter Duncanson Cameron

Competition in Energy Markets: Law and Regulation in the European Union Peter Duncanson Cameron
Analysis of the origins, aims and implementation of the EU energy directives is essential to an understanding of the emerging internal market in energy in the European Union. This book provides a detailed and practical account of the legislation and the various developments in the Member States that are leading to a competitive energy market for the first time. It explains the legislation, EU case law and the relevant national laws, regulations and competence of the enforcing authorities.
