ARE YOU READY FOR 2050? • Average 401(k)/IRA balances reached only $91,300 in 2014 • For >60% of households, Social Security is the chief retirement income source • Typical couples needs >$240,000 for retirement medical expenses • There are already more people over 65 today than there were in the entire labor force when Social Security was passed into law If you are over 50, then you know the reality that your job is hanging by the proverbial thread. You know that if anything happens economically, you, not the 20-something rising star, will be shown the door. This book will guide you on how to create a Strategic Career-Life Plan, so that you can deal with job market reality, make money in your “retirement years” and break the “retirement heartbreak” statistics. In this book, you will learn: • The purpose of a 30-year Career-Life plan, and why you need one • The 3 reasons search firms rarely call back and how to change that • A 5 step guide to managing your career now that you are 50+ • Mistakes Technology Professionals make… and how to avoid them… • Why staying relevant means staying healthy? • Why paying it forward is your best career-life insurance policy? www.reynoldlewke.com
