This is an adult coloring book of 30 old-fashioned flower illustrations for you to color.

These are line drawings of common flowers that you might find in a traditional Victorian garden. At the beginning of the book, to inspire you, is a list of colors in which these vintage flowers were usually found.

There is one floral per page and the pages are single sided. If you use gel pens or markers to color you may want to put a loose page in between to make sure your coloring doesn't bleed through. Each flower is featured using the traditional flower name and the old-fashioned meaning the flower symbolized.

These black and white drawings are perfect for all to color from beginner to expert and there is lots of space to practise shading.

Allow yourself time to unwind and color. Coloring florals is a wonderful way to get creative while creating a calm, centered and peaceful reality.

Gather your pens, markers and crayons. Let yourself relax comfortably and color the flowers of an old-fashioned garden.

Be sure to visit the Facebook page and share your creativity.
