Enjoy this classic Harlequin Presents from NYT bestselling author Penny Jordan!

Permission to love…his ward?

Lindsay Ferris had always thought sexy older man Lucas Armitage was on her side against her tyrannical and controlling father. Lucas had urged to live her own life and make her own choices. But that was before her father died - leaving Lucas in charge of her inheritance and all of her choices!

It seems her father's trust in Lucas now makes him feel duty bound to honour her father's wishes. Which means marrying a man she does not love and a life without passion… And when it comes to it, Lucas can't consign her to this fate…not when he's always wanted her for himself!
