Rich and Famous: The Further Adventures of George Stable James Lincoln Collier
At thirteen, George Stable still hasnt made his mark on the world. Oh, he plays the guitar and sings a little. And he appeared on television for six whole seconds once. A couple of years ago, he even wrote a sort of book, called The Teddy Bear Habit. But nothing really exciting has happened to him. But now, it looks as if his big chance has finally come. This agent of his, Woody Woodward, who discovered him during his six-second TV career, has come up with a plan to make him a hot new guitar-playing teenage starGeorge Stable, The Boy Next Door. Never mind that George has spent his entire life in Greenwich Village, which is not exactly where youd find your typical Boy Next Door. As Woody says, its the image that counts. Of course, there are a few problems to be ironed out. His pop isnt too hot on the idea, and is packing George off to stay with his uncle and creepy cousin Sinclair in upstate New York, while he spends a month in Paris. And Woodys bosses at the record company still have to buy the idea. Theres this strange, bug-eyed guy everyone calls Superman who has to give the go-ahead
