The Cowboy and the Canal J. M. Carlisle
Within a richly layered context, The Cowboy and the Canal probes the intrigue behind Roosevelt's decision to purchase the expiring concession, rotting machinery, and dilapidated buildings from the bankrupt French Panama Canal Company and dig the interoceanic canal in Panama instead of the favored site, Nicaragua. Drawing from primary sources-newspaper stories, editorials, political cartoons, the Congressional record, books, magazines, journals, and letters-The Cowboy and the Canal reintroduces the voices who criticized Roosevelt's actions and questioned his motives, that through time and historical homogenization, have removed from what was at the time, a heated national conversation. These voices add a balance to what has been a one-sided conversation that lauds Roosevelt for "taking Panama" and ignores his indispensable role in manufacturing a rebellion within the country of an ally, Colombia, and in creating one of the biggest frauds of its kind ever perpetrated upon the American public. The villains who abetted, encouraged and facilitated Roosevelt's behind-the-scenes American takeover of the Colombian province of Panama and the subsequent diversion of millions of American taxpayer dollars into the hands of a few capitalists and financiers are varied. They range all the way from Roosevelt's youngest sister Corrine and her husband Douglas Robinson, to the scheming would-be French aristocrat, Philippe Bunau-Varilla, a slick New York corporate lawyer, William Nelson Cromwell, and the venerable John Hay, Roosevelt administration Secretary of State. Some of the most prominent industrialists and capitalists of the day, including financier J.P. Morgan, former president of the New York Stock Exchange, J. Edward Simmons, railroad magnate C. P. Huntington, and Charles Taft, multimillionaire older brother of the soon to become U.S. president, William Howard Taft, played supporting roles in this saga. An ex-Confederate general, Democratic Senator John Tyler Morgan, and an ailing but indomitable Joseph Pulitzer, and Pulitzer's editorial staff of his The World newspaper are among the unlikely heroes in this political drama.

From reader reviews:

Robert Penrose:

Have you spare time to get a day? What do you do when you have much more or little spare time? Yep, you can choose the suitable activity to get spend your time. Any person spent their very own spare time to take a move, shopping, or went to often the Mall. How about open as well as read a book allowed The Cowboy and the Canal? Maybe it is for being best activity for you. You understand beside you can spend your time using your favorite's book, you can cleverer than before. Do you agree with their opinion or you have other opinion?

Bobby Phillips:

The book The Cowboy and the Canal can give more knowledge and information about everything you want. Why must we leave a good thing like a book The Cowboy and the Canal? Several of you have a different opinion about publication. But one aim this book can give many information for us. It is absolutely appropriate. Right now, try to closer with your book. Knowledge or data that you take for that, you are able to give for each other; you could share all of these. Book The Cowboy and the Canal has simple shape but the truth is know: it has great and big function for you. You can search the enormous world by open up and read a publication. So it is very wonderful.

John Singletary:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book this improve your knowledge and information. The info you get based on what kind of guide you read, if you want drive more knowledge just go with knowledge books but if you want sense happy read one with theme for entertaining for instance comic or novel. Typically the The Cowboy and the Canal is kind of reserve which is giving the reader unstable experience.

Robert Burmeister:

Do you like reading a guide? Confuse to looking for your selected book? Or your book seemed to be rare? Why so many concern for the book? But just about any people feel that they enjoy intended for reading. Some people likes studying, not only science book but in addition novel and The Cowboy and the Canal or perhaps others sources were given knowledge for you. After you know how the fantastic a book, you feel wish to read more and more. Science guide was created for teacher or even students especially. Those textbooks are helping them to put their knowledge. In additional case, beside science book, any other book likes The Cowboy and the Canal to make your spare time considerably more colorful. Many types of book like this one.
