But it s not about excellence of musicianship in played and sung worship. It s not about personalities or individuals, or specially gifted folks, or style, or technique. It s not a how to book, or a work book, or a here s a service schedule that s bound to work type book. It s about how God calls us all to be His worshippers and how, perhaps, every single one of us can, through a deeper understanding of worship, make an impact and a difference in the society in which we live.
