A Life Of Triumph: A Story Of Survival Esther Weber
"A Life Of Triumph" is a story of courage and strength focused on giving to others. As young child living in Poland, Esther Weber survived the Holocaust and has been able to rebuild her life and become an "Eshet Chayil" amongst the Jewish people. Her experience during the Holocaust bears testimony that, although nobility of character is manifested in great moments, it is formed in the small ones. Esther's personal support for the State of Israel and to the soldiers of the Israel Defense Force exemplify her dedication and commitment to all that she holds so dear. "A Life Of Triumph" is a historic lesson for both young and old in the meaning and value of commitment, dedication, and loyalty to her family and to her people, in spite of unspeakable and unimaginable abandonment and adversity.
