This unique collection of multiple choice questions (MCQs) is specifically written to help surgical trainee candidates prepare for Part One of the FRCS general surgery exit examination, which features MCQs on general surgery. The book helps candidates gauge the types of questions likely to be asked and the extent of preparation required for this examination. The wide range of surgical topics covered, including general surgery and emergency surgery in addition to endocrine, vascular, upper GI, hepatobiliary, colorectal and transplant surgery, also makes it a useful revision text for MRCS examination candidates.
