The holocaust that falsely claims six million lives has been drummed into our heads since early childhood. It then comes as a shock to learn that the fuhrer's accusers between them take full responsibility for genocide that claimed no less than 164 million lives. According to R. J. Rummel, Power Kills: Genocide and Mass Murder (Journal of Peace Research) ‘170 million people have been killed in cold blood this century by governments.’ Eerily, we learn that the culprits responsible for 18 times the 'Death by Government' murders attributed to the Reich are Hitler’s accusers. Who then was primarily responsible for the genocide of 164 million non-Jews? Taking their places on the Dais of Death is the dwarfish ex-bank robber Bolshevik Russia’s Joe Stalin and America’s Franklin D. Roosevelt; beside them half-American dilettante Winston Churchill and China’s Mao tse Tung. Shockingly, MEGACAUST convincingly suggests that most of the 164 million ‘death my government’ murders could have been prevented by media that chose instead to collaborate with history’s greatest mass murderers.
