Another dramatic nesting season unfolds in 2015 with the eagle family that lives in the Riverbend Eagle Tree. Last season, the old eagle nest collapsed and now we have a new nest with more drama and new adventures. Brother eaglet, from the time he breaks out of his egg, is bullied by his sister. What is up with the sister's bully behavior in the nest? How do the brother and sister eaglets fare when they have to deal with each other, day after day, with nowhere to go? Observed eagle behavior, combined with imagination and lots of actual pictures of the eagle family, create a story that children will love and learn from.
