Conversations with Picasso Brassai
"Read this book if you want to understand me."--Pablo Picasso

Conversations with Picasso offers a remarkable vision of both Picasso and the entire artistic and intellectual milieu of wartime Paris, a vision provided by the gifted photographer and prolific author who spent the early portion of the 1940s photographing Picasso's work. Brassaï carefully and affectionately records each of his meetings and appointments with the great artist, building along the way a work of remarkable depth, intimate perspective, and great importance to anyone who truly wishes to understand Picasso and his world.
