I'm Not Bipolar, I'm Just a Fruitcake with a Dream!: Surviving the Emotional Roller Coaster of a Dream Gone Bad Kristina Louise
Families with Estranged Adult Children have become a silent epidemic with thousands of parents who are ashamed, embarrassed, and in hiding. This unique and original book describes in quirky humor, (and some raw emotion) the aftermath of an unexpected and unwelcomed estrangement in this "facetious, firecracker's" family. As an estrogen-depleted, "Italian-Yankee, fruitcake, as she refers to herself, Kristina's good-spirited, light-hearted sarcasm, her wit, and her candor, make her perspectives come alive, with some modern-day icons via metaphor and visual imagery in what she calls her "Me-Tube" scenarios, She will delight her audience giving some lesser known historical figures a 21st Century Country Music twist.This book is meant to make you laugh, then cry, then laugh until you cry as Kristina invites you into her life and all her fruitcake behavior. God loves demonstrating His Infinite and Perfect patience as we endeavor to live out the pre-planned purposes he has in mind for our lives. He is especially delighted after we contradict and complicate His creative ingenuity, and then fall to pieces in intense and immeasurable joy when we see His restorative miracles in action. It is an amazing story!
