In this meta graphic novel, a gangster film is actually a biopic of the protagonist's mother.

This brutal, original crime thriller tells the story of femme fatale Maria M., whose life south of the border is a sordid tale of sex, drugs, violence, and power. When she comes to America for a better life, she marries a drug kingpin, whose son learns Maria's darkest secret, leading to the most violent gangland bloodbath in organized crime history. *Maria M.* collects 2013's *Maria M. Book One* (now out of print), and the never-before-published *Book Two*, presenting the complete graphic novel for the first time. Black & white illustrations throughout.
