Ruth Johnson

My Wild Garden: An introduction to edible and non-edible wild plants Ruth Johnson
Introduce children to the wonders of nature with this beautiful guide to edible and non-edible plants. Each page is a collage of full color photographs of each plant or weed to make identification in the real world easy. Simple but clever rhymes are easy for children to recall to help remember if the plant is edible or toxic. This book is a great primer for children, and the beautiful pages make it a reference book for years to follow. Although based primarily in the northwest, this book covers over 20 prominent weeds, many of which, such as dandelions and clover, can be found across the country. This book is a must have to teach children about foraging wild food for fun or basic survival, or to prevent accidental poisoning.
