Outsourcing for Radical Change: A Bold Approach to Enterprise Transformation

Jane C. Linder

Outsourcing for Radical Change: A Bold Approach to Enterprise Transformation Jane C. Linder
For years companies have outsourced service functions like IT and facilities management with an eye toward streamlining overall corporate efficiency But a new model - transformational outsourcing - can make big changes happen quickly throughout the organization by outsourcing not just support areas but core business functions. "Outsourcing for Radical Change", based on a major study by Accenture, reveals how this revolutionary operational model can transform an entire enterprise. With refreshing candor, the book presents startling successes (and a few notable failures) from major organizations in the U.S. and abroad.
