Refuting the Attack on Mary: A Defense of Marian Doctrines Father Mateo
Have you been grilled for answers about why Catholics believe that Mary remained a virgin, or that she was immaculately conceived, or assumed into heaven? How about why she is called "Mother of God" or "Queen of Heaven"? Have you wanted to provide clear and full answers to questions like this but found yourself unable to do so? Are you tired of Fundamentalists and door-to-door missionaries telling you that Catholic teachings on Mary are "unbiblical"? This book is just what you need. Father Mateo explains the basis for these and other teachings on Mary. He points out the basis for them in Scripture and the writings of the early Church Fathers. Just as important, he points out the errors of logic and fact committed by anti-Catholics as they mount an attack on the Blessed Mother. A one-of-a-kind work, this book is both remarkably concise and remarkably powerful in its explanations of how to defend the truth of Catholic teaching whenever you are called upon to refute the attack on Mary.
