The Sign of the End (The Armageddon Trilogy) J.E. Becker
After two prominent nations of the world destroy each other with nuclear power, the rest of the world tries to fill in the power void and save civilization from a spreading war. The pope, who has received a mandate from the Holy Virgin to set up the kingdom of God, charges the European Union and other power groups to include God in their endeavors. Increasing his political power over the heads of Europe, he finds himself challenged by Jews preaching about the Lamb of God who steal both Catholic and Protestant church members. Consequently, Ansel Edersohn, a preacher in Belgium, and fellow 'Lambers' come under fierce inquisition-like persecution, instigated by the pope. Meanwhile, the IDF delays David and Rachel's wedding plans by sending David on a secret mission. Follow these beloved characters along with J. Leucus Adoni´ and Prime Minister Ra'amon as Israel faces yet another war in the second installment of J. E. Becker's The Armageddon Trilogy, The Sign of the End. Will David and Rachel's relationship survive the coming of Messiah? What will happen to Israel's 'faithful' on Yom Kippur? Watch the prophetic events unfold in The Sign of the End.
