Art Held Hostage: The Battle over the Barnes Collection John Anderson Ph.D.

“Money, pretension, horrid behavior by cultured people” (*New York*) ?John Anderson’s tale delivers it all in fabulously juicy detail.

This is the story of how a fabled art foundation?the greatest collection of impressionist and postimpressionist art in America, including 69 Cézannes, 60 Matisses, and 44 Picassos, among many priceless others?came to be, and how more than a decade of legal squabbling brought it to the brink of collapse and to a move that many believe betrayed the wishes of the founder, Dr. Albert C. Barnes (1872?1951). *Art Held Hostage* is now updated with a new epilogue by the author covering the current state of this international treasure and the endless battle over its fate. 8 pages of photographs
