God and the Scientist: Exploring the Work of John Polkinghorne (Ashgate Science and Religion Series) Fraser Watts
This book presents a celebration, survey and critique of the theological work of arguably the most important and most widely-read contributor to the modern dialogue between science and theology: John Polkinghorne. Including a major survey by Polkinghorne himself of his life's work in theology, this book draws together contributors from among the most important voices in the science-theology dialogue today to focus on key aspects of Polkinghorne's work, with Polkinghorne providing responses. Anybody exploring contemporary aspects of the science-religion debate will find this book invaluable.
