**My Kennedy Years: A Memoir** Jacques Lowe, Thomasina Lowe
Fifty years after his assassination on 22 November 1963, John F. Kennedy is still a towering figure in the history of our times and across the world. Jacques Lowe was the official photographer of JFK's campaign for the presidency as well as his personal photographer following his election in 1960. Over 250 images capture life with this compelling politician on the campaign trail, at home with Jackie and daughter Caroline, politicking behind the scenes at the convention, at work in the White House, as a leader on the world stage, and his funeral at Arlington National Cemetery, mourned by millions around the world. Throughout, the photographs are complemented by Lowe's personal record of his friendship with the whole Kennedy family and his years at the heart of American politics. They provide a unique record of one of the most enduringly fascinating politicians of the modern era.
