Redox Life (Bio-Rep Education Series) A S Naidu
REDOX LIFE (2013), written by leading researcher Dr. A S Naidu, is the most comprehensive reference volume on the field of redox science to date. This book will take you on a stunning visual journey over five chapters that unfold the impact and implications of redox on human health and medicine.

REDOX LIFE is a 534-page authoritative work that elucidates fundamental redox principles in chemistry and biology, uncovers the role of redox interventions in medicine, and captures the interplay between good health and redox-supportive nutrients. This book cites the work of over 150 Nobel Laureates and explains the impact of over 1500 scientific publications on the evolution of life under the influence of REDOX.

REDOX Life is a must-read for physicians, healthcare providers, scientists, students and individuals interested in understanding the role of Redox in human health.
