Revenge of the Zombie Monks: An Unofficial Graphic Novel for Minecrafters, #2 Cara J. Stevens Behind the walls of the monastery, the monks of Xenos grow enchanted golden apples for the villagers who live in their border world. The golden apples have magical healing powers that keep the villagers from harm. The monks also guard the knowledge that binds Xenos to her sister worlds and that keeps Xenos and its citizens safe. But now the monks have been zombified! What will the people of Xenos do now that they have no protection?

The only ones who can save Xenos's monks are Phoenix—a miner girl who loves adventure—and her new friends: a hermit and Wolfie the wolf pup. But Phoenix and her gang do not suspect the culprit who is behind this terrible disaster—a powerful foe who will stop at nothing to keep Phoenix from saving the monks, and her world.

The exciting follow-up to *Quest for the Golden Apple* by *New York Times* bestselling author Megan Miller, *Revenge of the Zombie Monks* is sure to keep readers and fans of Minecraft on their toes!

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. In particular, this adventure series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
